Dear Bible Student:

Thank you for participating in the Christadelphian Bible Study Course over the past few months. We hope you have enjoyed the course and have found it beneficial in your study of God's word. If you have not yet completed the course don't worry. There is still time for you to complete any lessons and send your worksheets to us for review.

We would like to do everything we can to help you continue to learn about God's way, and His plan of salvation for you. So, we are offering you some options to further your studies, absolutely free, and with no obligations. These include a subscription to the magazine *Glad Tidings*, which covers basic Bible topics and current world events in the light of Bible prophecy, and the Advanced Bible Study Course which provides a more in-depth study of significant Bible themes.

Thank you for your interest in our efforts to share God's message of hope with you. May God bless you and your family in your study of His word.

Yours truly,

Christadelphian Bible Study Center
